Leif,

Would it be possible for the Region to do an informal outreach to the ACHP to confirm whether they agree with our list of consulting parties? It would be nice to nail that list down so we don't have to send additional consultation letters if we missed someone or, in the unlikely event we included someone we shouldn't have, explain why we aren't consulting with them after all. Our current list of parties includes:

ACHP  
State Historic Preservation Officer (SHPO)  
FDEP  
the Seminole Tribe of Florida  
the Miccosukee Tribe of Indians of Florida  
the Poarch Band of Creek Indians

I know Mary provided the Council head with a list of EPA contacts following their call on Thursday and I'm wondering if the council reciprocated? We could also use this informal outreach to let the council know about Maria Clark who was inadvertently left off the list of EPA contacts.

Thanks,

Matt
